Temporary Food Establishment Permit Application

You must have your permit application fee paid prior to operating a temporary booth as we will no longer accept payment while out in the field doing inspections.

Fill out the attached form exactly as you wish the information to appear on your permit. If you will be at more than one event in Ripley County, please fill out a separate application for each event.

Establishments that are required to have a certified food handler must supply a copy of your Certified Food Handlers Certificate and a copy of a photo ID before a permit can be issued. **The Certified Food Handler must be present at the event.**

Temporary permits are \$50.00 per event, must be obtained 14 days prior to event or a \$50.00 late fee will be assessed. We do not accept personal checks.

Thank you for your compliance.
