Peer Pressure: Risks and Rewards

Directions: Imagine a scenario in which you might face peer pressure. This could be something you anticipate happening, but make sure it's realistic. Then follow the prompts to assess risks and benefits of saying yes and saying no.

Scenario:

Saying "Yes"

Saying "No"

List at least 2 risks:

List at least 2 risks:

List at least 2 benefits:

List at least 2 benefits:

Do the risks outweigh the benefits? Are they worth it?

Is this a scenario of good or bad peer pressure and why?
